A heartwarming farm adventure that teaches young readers (ages 3–8) how to find joy when plans change

CHAPEL HILL, NC, UNITED STATES, November 19, 2025 /EINPresswire.com/ -- Award-winning children's author Natalie Horseman announces the release of [Goat on the Go: Scout's Rainy Day](#), the newest book in her bestselling picture book series inspired by her real-life goat, Scout. When Scout wakes up ready for an outdoor adventure, he soon discovers that heavy rain has washed away his plans. With the help of clever friends on the farm, Scout learns how unexpected challenges can spark imaginative new adventures, and that rainy days often bring bright surprises.

Built around early childhood development themes, Scout's Rainy Day supports resilience, problem-solving, emotional expression, and friendship. The book is ideal for families, educators, therapists, librarians, and any reader who wants a joyful, meaningful story that sparks positive conversations.

"Children face real emotional hurdles, even on ordinary days," Horseman said. "Scout helps them explore those feelings in a playful, safe, and encouraging way. Rainy days happen, but imagination, courage, and friends can turn everything around."

Goat on the Go: Scout's Rainy Day follows the October 2025 release of *The Bumpy Pumpkin*, Horseman's award-winning picture book about an offbeat pumpkin who learns to celebrate what makes him unique. The story gently explores a common childhood fear, “What if being different means I'm left behind?” and reassures young

readers that their individuality is something to treasure.

“Every child is special,” Horseman says. “By watching the Bumpy Pumpkin move from worry to joy, kids can see their own feelings reflected and feel safe talking about what makes them different.”
