Weinstein to Provide Perspectives on Florida's Improving Property Insurance Landscape

ST. PETERSBURG, FL, UNITED STATES, November 18, 2025 /

EINPresswire.com/ -- The [Florida Chamber of Commerce Annual Insurance Summit](#) is just around the

corner, slated for December 4-5 in Orlando, FL, and Mangrove Property Insurance Company (Mangrove) Founder and CEO Stephen Weinstein is pleased to be among the featured speakers. Weinstein will join other property insurance chief executives to provide perspectives on Florida's improving insurance landscape.

Florida's recent legislative and regulatory reforms, supported by the Florida Chamber, harmonized aspects of Florida's insurance and tort regime with national standards and succeeded in stabilizing Florida's insurance market, attracting new entrants, competition and capacity to help Floridians reliably meet their property insurance needs.

"Last week, I attended Governor Ron DeSantis' keynote address at the PwC Bermuda Insurance Summit covering the impacts of the legislative and regulatory reforms to stabilize Florida's market, afford policyholders expanded choice, and restore reinsurer confidence in Florida," said Stephen Weinstein, Founder and CEO of Mangrove Property Insurance. "This week the broader Mangrove leadership team has returned to Bermuda for private dialogues with global market leaders, and to celebrate our record-setting inaugural reinsurance program. I look forward to sharing some of the takeaways from these exchanges with the Florida Chamber's Insurance

Summit audience.”
