

Eqvista Strengthens Its Leadership Among Top Cap Table and Valuation Providers with \$200B in Valued Assets

As private markets expand, Eqvista stands out as a reliable partner providing scalable, audit-ready solutions for 409A valuations and cap table management.

SAN FRANCISCO, CA, UNITED STATES, December 2, 2025 /EINPresswire.com/ -- [Eqvista](#), a trusted name in equity management and private company valuation, continues to expand its footprint in the private markets ecosystem. With over five years of experience and a track record of serving more than 23,000 companies, Eqvista has become one of the most comprehensive solutions for startups and private companies managing their equity and compliance processes.

“Our focus has always been on bringing clarity and consistency to private company valuations and equity management,” said Tomas Milar, Founder and CEO of Eqvista. “From 409A reports to our Eqvista Real-Time Company Valuation®, we’re building tools that let founders and investors understand their equity in real time and make data-driven decisions with confidence. Eqvista’s platform bridges the gap between valuation and cap table - turning complex equity data into a clear, actionable picture of a company’s true worth.”

Trusted By Leading Companies

[Eqvista’s 409A valuation service](#) goes beyond compliance, every valuation includes access to Eqvista’s premium cap table management platform at no additional cost. This integrated approach ensures that companies have a single, accurate source of truth for both valuation and
