

U.S. NEWS & WORLD REPORT'S 360 REVIEWS NAMES ALOE CARE HEALTH AMONG 2026 BEST MEDICAL ALERT SYSTEMS

NEW YORK, NY, UNITED STATES,
November 19, 2025 /

EINPresswire.com/ -- [Aloe Care Health](#), creators of the world's most advanced voice-activated medical alert and communication service for eldercare, has been recognized as a Best Medical Alert System of 2026 by U.S. News & World Report's 360 Reviews team.

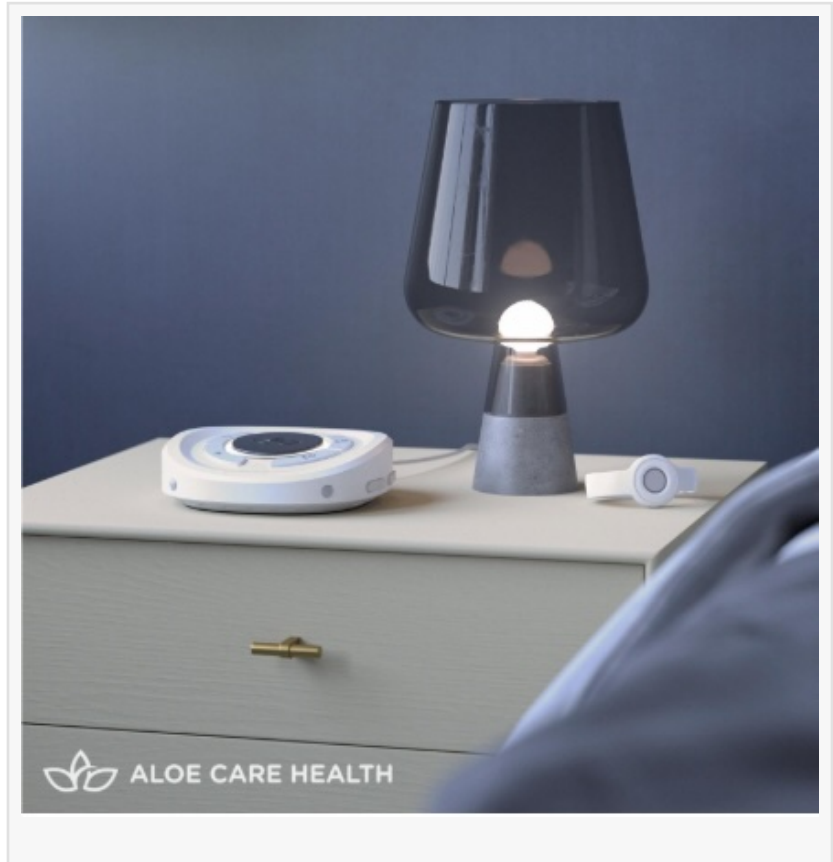

"Being named one of the Best Medical Alert Systems of 2026 by U.S. News & World Report is a meaningful recognition of the work our team puts in every day," said Evan Schwartz, CEO and Co-Founder of Aloe Care Health.

"Our AI-powered platform supports families as well as our home-health and insurance partners across the country who rely on timely, accurate insights to keep people safe at home. This acknowledgment underscores the standard we hold ourselves to: delivering technology that is simple, reliable, and truly helpful—whether it's enabling a care team to intervene early or giving a family caregiver peace of mind."

U.S. News' 360 Reviews team applied an unbiased methodology that included a consumer survey, device testing, and research comparing various features of medical alert systems. U.S. News evaluated medical alert systems based on setup process, accuracy and response time for fall detection, maximum detection range, app performance, and customer service, and cancellation ease.

U.S. News' online guide features in-depth information on choosing a medical alert system and covers a range of topics, including types of medical alert systems, popular features, who can benefit, costs, and more.
