Launched on November 13th, 2025, the book has reached Amazon Best-Seller status, marking a significant milestone in its journey.

"Living Truth" made an exceptional debut on launch day, securing placement on multiple Amazon Best Seller lists. The book earned spots in both the Marketing and Sales & Selling Best Seller categories, reflecting its powerful impact and strong reader response. In addition, "Living Truth" also charted on five Amazon New Release lists, further highlighting the book's momentum and the excitement surrounding its debut.

Central to the success of "Living Truth" is Ryan's chapter, "Why Honesty Isn't Just A Virtue-It's a Survival Mechanism." A former Airborne Ranger turned Christian author and leadership coach, Ryan reveals that true strength isn't found in perfection but in the courage to live transparently, heal deeply, and rebuild life on a foundation of truth.
