

# Clear Touch® and Rocket Alumni Solutions Announce Strategic Partnership to Enhance Digital Recognition and Engagement

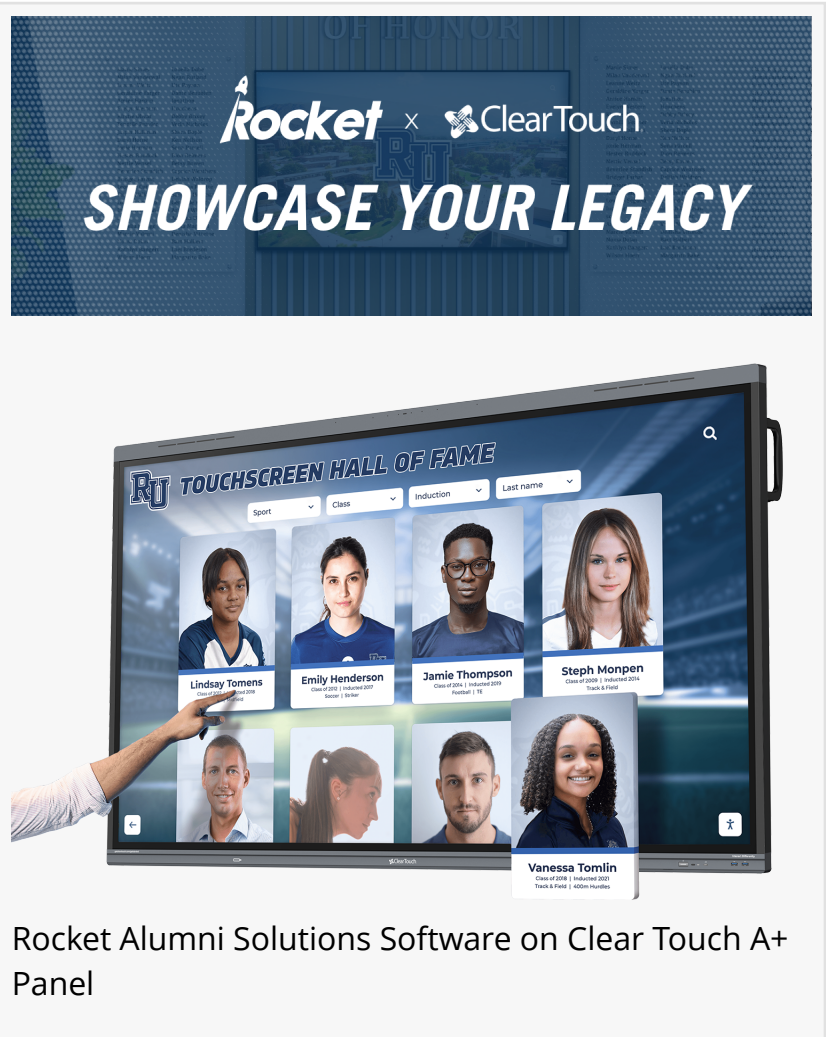

GREENVILLE, SC, UNITED STATES,  
November 20, 2025 /

EINPresswire.com/ -- [Clear Touch®](#), a leading provider of premium interactive displays, digital signage, and technology solutions, today announced a strategic partnership with [Rocket Alumni Solutions](#), a pioneer in interactive digital recognition software. This collaboration brings together Clear Touch's award-winning interactive panels and [Clear Digital](#) commercial displays with Rocket Alumni's innovative platform, enabling organizations to create unparalleled interactive experiences for alumni, donors, students, and employees.

The partnership will empower K-12 schools, higher education institutions, corporate entities, and other organizations to transform how they celebrate achievements, preserve history, and engage their communities.

By combining Rocket Alumni Solutions' dynamic, cloud-based recognition software with Clear Touch's high-performance, intuitive touchscreens and Clear Digital's versatile displays, the companies are setting a new standard for digital halls of fame, donor walls, and interactive historical archives.

Rocket Alumni Solutions' platform allows for the easy creation and management of stunning digital displays that can showcase athletic halls of fame, alumni recognition, digital yearbooks, award recognitions, and many more applications.

"This partnership is a game-changer for how our customers can leverage their Clear Touch and Clear Digital investments," said Keone Trask, Clear Touch CEO. "Rocket Alumni Solutions brings a highly specialized, emotionally resonant application that perfectly complements our hardware's capabilities. Together, we're offering a powerful platform for community engagement, fundraising, and storytelling that brings an organization's legacy to life."

This partnership underscores Clear Touch's commitment to building a robust ecosystem of solutions that deliver exceptional value and impact for its customers across various industries.
