Super Processor, Inc. Announces Exclusive AI Technology Partnership With Vortex AI, Inc.

LAS VEGAS, NV, UNITED STATES,
November 20, 2025 /

EINPresswire.com/ -- [Super Processor, Inc.](#), a full-service payment processor

headquartered in Las Vegas, is proud to announce a new, multi-year strategic relationship with [Vortex AI, Inc.](#), under which Vortex AI will exclusively license select artificial intelligence technologies to Super Processor. Together, the companies will introduce a suite of high-quality, specialized AI services designed to help new Super Processor merchants streamline operations, increase profitability, and operate with greater efficiency.

“

This partnership allows us to deploy our most advanced AI capabilities directly into the workflows of thousands of businesses that can benefit from automation the most.”

*Enrique Sanchez Murillo,
Chief AI Officer at Vortex AI,
Inc.*

Through this partnership, Super Processor will offer AI-powered tools to new payment processing clients as part of their onboarding to the platform. These capabilities will include AI Phone Answering & Call Handling, AI-Driven Appointment Scheduling & Management, Custom Workflow Integrations, Task Automation & Administrative Support, and Additional AI-Enabled Operational Enhancements.

“These services are designed to address one of the most pressing challenges facing small and medium-sized

businesses today: difficulty in hiring and retaining reliable staff. By combining Super Processor’s robust payments infrastructure with Vortex AI’s cutting-edge automation technologies, merchants will gain access to tools enabling them to operate more smoothly while reducing their labor burden.”

“We’re thrilled to bring our technology to Super Processor,” said Enrique Sanchez Murillo, Chief AI Officer at Vortex AI, Inc. “This partnership allows us to deploy our most advanced AI capabilities directly into the workflows of thousands of businesses that can benefit from automation the most.”
