

Funfull Introduces Black Friday Savings on Family Entertainment

Funfull has introduced limited-time Black Friday pricing on its FunPass memberships, giving families a chance to save \$40 on the Individual FunPass and \$200.

DE, UNITED STATES, November 20, 2025 /EINPresswire.com/ -- Funfull has opened its limited-time [Black Friday](#) rates, offering Delaware families an opportunity to join the Funfull family with substantial savings. The Individual FunPass has been reduced from \$199.99 to \$159.99, marking a \$40 savings, while the Family FunPass has dropped from \$799.99 to \$599.99, giving families a \$200 discount for a short period.

The announcement follows the announcement of [Funfull at Home](#), an all-new digital experience included with every membership. The platform provides access to thousands of instructional videos covering painting, sewing, photography, cake design, woodworking, yoga, and other creative activities. It is basically designed to give families more options for meaningful downtime at home, complementing the community-based fun places to go already available through the FunPass.

“

I've always believed that strong family bonds are made over shared activities and adventures. After all, the essence of family bonding is the time you spend together.”
