

American Conference Institute Announces 13th Annual Advanced Forum on False Claims and Qui Tam Enforcement

Two-day national forum brings together DOJ officials, in-house counsel, relators, and defense leaders to address new enforcement priorities in 2026.

NEW YORK, NY, UNITED STATES, November 20, 2025 / EINPresswire.com/ -- The American Conference Institute (ACI) today announced the 13th Annual [Advanced Forum on False Claims and Qui Tam Enforcement](#), taking place January 28–29, 2026, at Virgin Hotels New York City.

New enforcement priorities, major shifts in resources within the Department of Justice, and ever-evolving policy initiatives are all contributing to an increasingly complex regulatory and enforcement environment for in-house counsel that will continue to take center stage in 2026.

These topics and many more will be covered at this forum, a premier two-day networking event for the international legal and compliance community. Hosted by ACI, the annual event joins together in-house and external counsel, senior government officials, and leading business advisors globally to discuss current and emerging False Claims Act (FCA) enforcement trends.

Conference Co-Chairs

This year's esteemed conference co-chairs are Jaime Raich, former Assistant U.S. Attorney for the Southern District of Florida; Zachary Cunha, former U.S. Attorney for the District of Rhode Island; and Hamsa Mahendranathan, a partner at Whistleblower Partners.

"ACI's False Claims and Qui Tam Enforcement Conference is a compelling mix of defense counsel, relator's counsel, in-house counsel, and prosecutors who kick off the year with strategic insight into this key area of corporate enforcement," said Raich, who is now chief counsel for global investigations at GE Aerospace.

“[This event] consistently stands out for practical and substantive thought leadership that brings together key players from across the world of FCA enforcement and defense,” said Cunha, who is now a partner at law firm Nixon Peabody.

“With significant changes reshaping the enforcement landscape, this forum of government prosecutors, whistleblower attorneys, and FCA defense counsel has never been more essential for practitioners navigating this dynamic area of law,” Mahendranathan said.

Mary Inman, Partner at Whistleblower Partners, speaks at the Advanced Forum on False Claims and Qui Tam Enforcement.
