

MemeCon Meetup: The Nexus of Culture, Creators, and Web3 Humor

A community-oriented jam that celebrates memes as the authentic language that drives the decentralized internet

ABU DHABI, UNITED ARAB EMIRATES, November 21, 2025 /

EINPresswire.com/ -- Powered by the [VAP Group](#) and hosted by [MemeCon](#), the [MemeCon Meetup](#) is the official side-event of Global Blockchain Show, which recognizes the power of memes as the true driving force behind the decentralized internet. Set for December 10, 2025, in Abu Dhabi, this event will focus on individuals looking to create the next viral wave.

One of the key highlights of this event is the panel discussion on “Meme Monetization in 2026: NFTs, Tokens, and Beyond”, followed by an open mic session where creators get to share their stories, which could help individuals co-create the next meme hit that takes the internet by storm.

From chaotic brilliance to memes filled with punchlines, MemeCon is an event that every creator must not miss out on. This form of media has played an important role in helping promote decentralization and Web3-powered economies, because they’re a significant driver of community engagement. MemeCon Meetup additionally helps solidify Abu Dhabi’s position as a global leader, connecting the regional networks with a wider and larger global ecosystem.

Event format - In-person

Main tracks/themes: Memes powering blockchain and decentralization in a Web3 economy.
