On November 28, the full Black Friday Sale will officially begin, opening Ashland Leather's complete lineup of handcrafted wallets, belts, and accessories to all shoppers at reduced pricing.

Each piece in this 2025 Black Friday sale is handcrafted in Chicago using Horween's world-renowned leathers while serving as a testament to Ashland's enduring partnership with one of

the oldest tanneries in the U.S. For customers looking to secure a timeless gift—or invest in a lifelong piece of leathercraft—the Black Friday window offers the best opportunity of the year.

“Every wallet and belt made at Ashland Leather is built to age, and everything is made in small batches. So, when something sells out during the holidays, that’s usually it until the next year,” explains Dan Cordova, Ashland Leather Co-Founder.

## FAT HERBIE WALLET

Ashland's flagship design, the Fat Herbie, defies convention. Its innovative layout distributes bulk evenly across both sides, reducing thickness and wear. Equal parts bold and practical, the Fat Herbie wallet is a statement of what Ashland does best—rethink tradition without compromising quality.
