

Kickstarter Campaign Opens for Kioku: Last Summer

REIPÅ, NORWAY, November 25, 2025 /EINPresswire.com/ -- Lugn Games has announced the launch of the Kickstarter campaign for Kioku: Last Summer, a new adventure game inspired by childhood summers on the fictional island of Kioku.

Kioku: Last Summer introduces players to Asti, a young girl spending her first summer on the island. The game focuses on exploration, seasonal activities, and meeting characters across a handcrafted environment. It features elements influenced by Japanese and Scandinavian design traditions.

Kioku: Last Summer

Developer Statement

We wanted to capture that one magical summer you remember for years"

Alexander Espeseth, CEO of Lugn Games

"We wanted to capture the feeling of a memorable childhood summer," says Alexander Espeseth, CEO of Lugn Games. "Growing up in a small town in Norway shaped our approach to the project."

Game Features

- Explore a handcrafted island with distinct locations and optional activities.
- Collect Marubi, small card-and-marble creatures with individual abilities.
- Play mini games and meet characters throughout the island.
- Experience an art and audio style influenced by Japanese and Scandinavian culture.
- Use an in-game camera system to record moments and discoveries.

[Kickstarter Campaign Details](#)

Lugn Games is a small team based in Reipå, Norway. The Kickstarter campaign will support final development, including localization, additional features, and platform expansion. Backer tiers include digital rewards and credit acknowledgments.
