“Planet Artz Studio is a place where creativity, community, and professionalism come together,” says Paul-Anthony Surdi of Ink Different. “Jai Romel has built a studio that's not only respected in Milwaukee but deeply committed to uplifting the next generation of artists. We're honoured to team up!”

Milwaukee has no shortage of artistic talent, but access to real, structured tattoo education has often been out of reach for those who want to [become a Tattoo Artist](#). By teaming up with Jai Romel and Planet Artz Studio, Ink Different is helping remove barriers and offer local artists a

clear, supported way into the profession.

A Real Path from Passion to Profession

Ink Different's Tattoo Apprenticeship Program provides a structured, step-by-step journey from beginner to licensed Tattoo Artist. Apprentices train in professional tattoo studios, such as Planet Artz Studio, under the guidance of experienced mentors. The program includes hands-on studio experience, one-on-one coaching, and support through every phase of the process, including a guaranteed job offer upon successful completion.

This program is more than learning how to tattoo. It's about building a sustainable career in the industry with real tools, real mentorship, and real results.

Now Enrolling in Milwaukee

Enrollment is now open for the Ink Different Tattoo Apprenticeship at Planet Artz Studio in Milwaukee. Whether you're just getting started or ready to make a career change, this program is designed to meet you where you are and help you grow into the artist you want to be, with guidance from one of Milwaukee's most trusted tattoo mentors.
