NEW YORK, NY, UNITED STATES, November 26, 2025 /

EINPresswire.com/ -- [Wings of Gabriel](#), an 11-track piano album born entirely through dreams and guided by the energy of Archangel Gabriel. Known for her celestial soundscapes and intuitive, dream-received compositions, [Karen Salicath Jamali](#) once again invites listeners into a profoundly spiritual experience, one crafted in the delicate hours before dawn when the veil between realms is thinnest.

With *Wings of Gabriel*, Karen Salicath Jamali expands her angelic repertoire into an ethereal musical dialogue with Archangel Gabriel. The album unfolds through three wings, each dedicated to a different facet of the Archangel's energy:

Wing I — Gabriel's Softness & Tenderness

Gentle, compassionate, and filled with the quiet power of unconditional love.

Wing II — Divine Compassion & Inner Peace

Wing III — The Mystery Beyond Words

Ethereal, expansive, and rooted in the unexplainable magic of Gabriel's presence.

Every piece on the album arrived in Karen Salicath Jamali's dreams over the past year and was recorded in the early morning on her Golden Age Steinway piano. "Creating this album was like chasing a feather through the morning air," she shares. "Gabriel's messages came as sound feelings, frequencies, and visions that became music." The project was mastered by legendary
