

Columbia Mental Health Expands Access to Care with New Clinic in Falls Church, Virginia

Columbia Mental Health opens new clinic in Falls Church, offering therapy, medication management, and telehealth to expand access to quality mental healthcare.

FALLS CHURCH, VA, UNITED STATES, December 4, 2025 /EINPresswire.com/ -- Columbia Mental

“

The Falls Church location expands our capacity to meet a growing demand for quality, in-person & virtual mental health care; building resilience & healing for the northern Virginia community.”

*David Riley, LCSW, Clinic
Director*

Health is proud to announce the opening of its new mental health clinic in [Falls Church, Virginia](#). The new facility will significantly increase access to high-quality, evidence-based mental healthcare for individuals and families throughout the community and surrounding region.

The Falls Church clinic will offer a comprehensive range of services designed to meet diverse community needs, including individual and group therapy, and medication management. By providing both in-person and telehealth options, Columbia Mental Health aims to create a welcoming and flexible environment that removes barriers to care.

The opening of the Falls Church location directly addresses the growing demand for mental health resources in Fairfax County.

According to the [Virginia Wellbeing Dashboard](#), 17.4% of adults in the Fairfax County area had a diagnosed mental health condition in 2021. Furthermore, a 2022 [WTOP News](#) article identified a significant gap in treatment accessibility, noting that 370,000 Northern Virginians who wanted therapy were unable to get it.

Columbia Mental Health is proud to join the Falls Church community and contribute to addressing this need. By improving access to care, the organization aims to make a meaningful difference in the lives of residents and support the overall well-being of the community.

Columbia Mental Health is a group of local outpatient mental health care clinics dedicated to transforming lives by offering quality, easily accessible mental health care.
