KINGSTON, NJ, JAMAICA, November 25, 2025 /EINPresswire.com/ -- [S Hotels Jamaica](#) proudly celebrates the Jamaica Bobsleigh Team milestones achieved at the North American Cup in Whistler, Canada. The results mark one of the strongest competitive performances in the nation's winter sports history and advance Jamaica's qualification efforts for the 2026 Winter Olympic Games in Milano Cortina.

Most notably, Jamaica's four-man bobsleigh team made history on November 24 by winning gold, the country's first gold medal in the event at this level of international competition. Piloted by Shane Pitter with brakemen Junior Harris, Andrae Dacres, and Tyquendo Tracey, the team delivered a landmark performance for Jamaica.

Earlier in the event series, the two-man team of Shane Pitter and Nimroy Turgott earned a bronze medal on November 21, Jamaica's best result ever in the event, followed by a second bronze medal on November 23. On the women's side, Mica Moore delivered two strong finishes, including a 5th-place medal and a 6th-place medal, while rising athlete Adanna Johnson continued to show promise in her transition to senior competition.
