

# Chronic Concepts™ Launches the TinyBrights™ Insert Coin Cube

*A Retro-Inspired Light-Up Collectible That Brings the Arcade Home*

DENVER, CO, UNITED STATES,  
November 26, 2025 /

EINPresswire.com/ -- [Chronic Concepts™](#), the Colorado-based studio known for its tiny light up collectibles, announced the launch of its newest creation: the [TinyBrights™ Insert Coin Cube](#), a fully interactive light-up arcade-inspired display piece designed to bring nostalgic gaming energy into any modern space.

The TinyBrights™ Insert Coin Cube from Chronic Concepts recreates classic arcade energy with a functional insert coin to play button, working coin slot, arcade sounds, and a vivid nostalgic glow.

The TinyBrights™ Insert Coin Cube recreates the iconic "INSERT COIN TO PLAY" experience from classic arcades, blending old-school charm with modern-day craftsmanship and innovative features. Built in small batches and hand-finished in the company's Denver studio, the collectible merges lighting, sound, and functional mechanics into a palm-sized piece of retro joy.

“

We wanted to capture the moment gamers remember, the anticipation of pushing the button, hearing the sounds, and diving into an adventure. The Insert Coin Cube is nostalgia you can hold in your hand.”

*Dana Dodrill and Roger Dodrill, Co-Founders Chronic Concepts*

## A Tiny Cube With Big Arcade Energy

The TinyBrights™ Insert Coin Cube is packed with interactive features, including:

- Press to Play: The iconic insert-coin button is custom designed and molded with premium materials, it actually presses in, illuminating with a nostalgic red glow.
- Authentic Arcade Sounds: Built-in sound effects recreate the excitement of starting a new level.
- Functional Coin Slot: Drop the included token—or a real

quarter—into the slot, and watch it slide out the chute below.

- Adjustable Volume: Fine-tune the sound for home, office, or game room display.
- Dual Power Options: Powered by a rechargeable battery or USB-C connection (cable included).
- Adjustable Brightness: Easily set the perfect glow from soft ambient light to full arcade shine.
- Auto Shutdown: Turns off automatically after inactivity.
- Compact Display Size: Perfect for desks, shelves, gaming setups, or collectors' displays.
- Multiple Color Variations: Retro-inspired designs available in Black, Red, Black & Red, Black & Neon Green, and Black & Yellow.

Designed & Built in Colorado: Every TinyBrights™ piece is imagined, built, and hand-finished in Chronic Concepts' Denver studio.

"With the Insert Coin Cube, we wanted to capture that moment every gamer remembers—the anticipation of pushing the button, hearing the sound, and diving into a new adventure," said Dana Dodrill and Roger Dodrill Co-Founders of Chronic Concepts™. "This is nostalgia you can hold in your hand, and we're proud to build every piece right here in Colorado."
