

Ebb and Flow by Michael Tu Wins Silver in A' Interior Design Awards

*Innovative Residential Interior Design
Recognized for Excellence in Spatial
Harmony and Contemporary
Sophistication*

COMO, CO, ITALY, November 26, 2025 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected recognition in the field of [interior](#) design, has announced Ebb and Flow by Michael Tu as the Silver Winner in the Interior Space and Exhibition Design category. This prestigious accolade highlights the exceptional talent and innovative approach demonstrated by Michael Tu in creating a residential interior that seamlessly blends coastal aesthetics with urban sophistication.

Ebb and Flow's award-winning design showcases the importance of spatial flow and materiality in shaping luxury living experiences. By incorporating fluid forms, layered textures, and a harmonious interplay of light and space, this interior design project sets a new standard for contemporary elegance and emotional resonance within high-end residential spaces.

The design's unique features include CNC-milled timber walls with a smooth alabaster finish, bespoke architectural paneling with integrated LED cove lighting, and a carefully curated palette of deep leather tones, reflective metallic accents, and sculptural elements. These elements work together to create an immersive environment that evokes the tranquility of coastal landscapes while embracing the sophistication of urban living.

Winning the Silver A' Design Award serves as a testament to Michael Tu's commitment to pushing the boundaries of interior design and creating spaces that elevate the human
