

Pre-Orders Opened on December 4 for "Berserk Coffret of Fate: Behelit Collection"

Prime 1 Studio announced "Berserk Coffret of Fate: Behelit Collection". Pre-orders began on December 4, 2025 (JST), with release set for June 2027.

ASAKUSA, TAITO-KU, TOKYO, JAPAN, December 5, 2025 /EINPresswire.com/ -- Prime 1 Studio is pleased to announce that pre-orders are now open for the Life-Scale Masterline Behelit collection from "Berserk". This release brings to life the Behelit—an object central to the series' theme of causality—in life-size form as part of the Life-Scale Masterline lineup.

The set includes three life-sized Behelits associated with key characters in the manga: Guts, Griffith, and Ganishka. Guts' Behelit is finished in a blue-green tone achieved through layered paintwork, while Griffith's Behelit features a cord detail true to its original depiction. Under the supervision of Studio Gaga, Ganishka's Behelit receives its first-ever officially defined coloration, finished in a mystical silver. Each Behelit is sculpted to reflect the distortions, textures, and surface details shown in the manga.

LED.

As a special bonus, Griffith's Behelit (Awakened Version) will be randomly included with the product for five purchasers.

Each Behelit is also available for individual purchase. For details, please visit the product page.
