Members like Margo Kornfeld reversed osteoporosis, improving bone density by 8% in the neck and up to 15% in the hips, moving from osteoporosis to osteopenia. Janette Barber achieved significant spine improvements without drugs. Ellen Wilner, initially skeptical, saw positive bone density scan results.

"Every day you delay is another day of potential bone density loss," said Zeena Gupta, Owner at OsteoStrong Upper West Side. "These [Black Friday deals](#), combined with our proven 10-minute sessions, make starting your bone health journey easier than ever."

Interested individuals should contact OsteoStrong Upper West Side before November 29 to claim offers. All membership packages include 10-minute weekly sessions and priority scheduling.
