

EVOKE Marketplace Celebrates Thanksgiving, Black Friday & Cyber Monday Mega Promotions

EVOKE Marketplace launches holiday mega deals and welcomes the AMen Italian Collection, now available worldwide with one click.

BEVERLY HILLS CALIFORNIA, CA, UNITED STATES, November 27, 2025 /EINPresswire.com/ -- After officially launching the world's first Phygital Marketplace, EVOKE is excited to celebrate its first holiday season with a powerful lineup of brands and promotions for Thanksgiving, Black Friday, and Cyber Monday. This marks the beginning of a new era in digital commerce as EVOKE introduces a Web3 and AI-powered marketplace designed to give users more value, more transparency, and more impact with every purchase that transforms lives.

“

This holiday season marks a new chapter as EVOKE blends luxury, innovation, and purpose-driven shopping into one experience.”

A Marketplace with a Unique Reward Token System and a Multi-Paywall that Supports Purpose-Driven Shopping.

[EVOKE Marketplace](#) is built on advanced blockchain technology that ensures 100% secure, transparent, and efficient transactions, while allowing users the flexibility to pay through multiple paywall options—including traditional payments, crypto, and digital token solutions.

The platform proudly supports various charities, ensuring that with every order placed, a portion is donated to help feed, uplift, and support individuals in need. Every purchase not only fulfills customer satisfaction—it helps fill the life, hunger, and hope of someone who truly needs it.

AMen Collection Now Officially Available on EVOKE Marketplace

EVOKE is thrilled to announce that the AMen Collection an iconic Italian designer brand is now

officially listed and available for purchase directly on the marketplace. Shoppers can now buy AMen's luxury fashion pieces without traveling to Italy just one click from their phone, delivered straight to their doorstep. This marks the first of many premium Italian brands soon to join EVOKE Marketplace, offering customers unparalleled access to global luxury fashion through a seamless Web3 shopping experience.
