Mahjong Arrives at Rabbit Creek Market

A timeless game of skill and strategy, mahjong has long been celebrated for bringing people together in a friendly and social atmosphere. The game, traditionally played with decorative tiles, encourages conversation, focus, and fun—making it a fitting addition to Rabbit Creek Market's community-centered spirit.

Guests can now shop the newly stocked Oh My Mahjong line, a collection known for its stylish tiles and accessories that modernize the game's classic appeal. To complement the new products, the market is hosting free Open Play sessions every Monday and Tuesday, along with instructional classes led by a Certified Mahjong Instructor, inviting both beginners and experienced players to join in the camaraderie.
