

GLMVH Launches UAE–Saudi GovTech Breakthrough to Transform Global Labour Mobility

Founder of (GLMVH), announces the expansion of its cross-border AI and Blockchain compliance infrastructure from the UAE to the Kingdom of Saudi Arabia.

DUBAI, DUBAI, UNITED ARAB EMIRATES, November 28, 2025 /EINPresswire.com/ -- The Global Labour Mobility Verification Hub (GLMVH) has announced a major expansion phase as it prepares to launch a Saudi-anchored verification and compliance ecosystem supporting ethical recruitment and cross-border labour governance.

GLMVH connects source-country ministries, accredited recruitment agencies, Gulf employers and regulators through AI-driven onboarding intelligence, contract authenticity verification, blockchain identity, and diplomatic oversight dashboards.

ABDULLAH HABIBU (COMMANDER ZACK) GLMVH CEO

Founder Abdullah Habibu (Commander Zack) explains: "Saudi Arabia is leading the future of ethical recruitment under Vision 2030. GLMVH provides the verification backbone that allows Africa-Asia-GCC labour corridors to operate with transparency, trust and real-time regulatory intelligence."

The ecosystem's Saudi roadmap includes:

- Phase 0 – joint scoping and corridor design
- Phase 1 – Ghana–KSA pilot launch
- Phase 2 – sector-wide expansion
- Phase 3 – GCC multi-country replication

GLMVH is engaging Saudi compliance and audit partners to deploy the first digital labour-verification grid between Africa and the GCC, setting a new global standard for responsible mobility governance.

ABOUT THE COMPANY

GLMVH is a UAE-born GovTech ecosystem enabling secure, ethical and digitally verified labour mobility through AI, blockchain and cross-border compliance architecture. It serves recruitment agencies, employers, ministries, embassies and regulators across Africa, Asia and the Gulf.
