Founded by international speaker and author [Katie Hornor](#), NCAPS exists to equip, connect, and celebrate Christian communicators who bring biblical ethics, excellence, and influence into every industry — sacred and secular.

“

This was our very first fundraising event for NCAPS. We were honored to receive our very first donations — a big step toward helping us take Christian ethics and values into the secular marketplace.”

“This was our first time attending the Million Dollar Mingle, and our first fundraising event for NCAPS,” said Hornor. “We were honored to host a booth and receive our very first donations — a tangible step toward helping us take Christian ethics and values into the secular marketplace.”

The four-day event, known for attracting business leaders, celebrities, and philanthropists, included a business symposium, charity polo match, and a Sunday brunch closing ceremony. Hornor spoke at the business symposium on Friday, represented NCAPS at the polo event on Saturday, and shared brief remarks at Sunday’s

closing brunch.

“We had fun, made meaningful connections, and experienced so many ‘firsts,’” Hornor added.

"There are incredible people I look forward to introducing to our NCAPS community. Some days I pinch myself that I get to do this for a living. What a blessing."

NCAPS' participation at Million Dollar Mingle marks a pivotal beginning in its mission to raise awareness, funding, and opportunities for Christian speakers to excel with integrity and influence across global platforms, with the next being Giving Tuesday, December 2, 2025.
