

# BRANIFF AIRWAYS BOUTIQUE DEBUTS FALL WINTER 2025 COLLETION FEATURING END OF THE PLAIN PLANE PRODUCTS

*Braniff International and its Braniff Boutique Heritage Airline Online Store debuts its new Fall/Winter 2025 Collection of clothing and home products today.*

DFW AIRPORT, TX, UNITED STATES, December 2, 2025 /EINPresswire.com/ -- Dallas-based Braniff Airways, dba [Braniff International](#) and its Braniff Boutique Heritage Airline Online Store debuts its new Fall/Winter 2025 Collection of clothing and home products today. The collection features a salute to Braniff's history with new logo shirting and home and travel products.

This new release coincides with Braniff's year-long celebration of the Airline's revolutionary End of the Plain Plane Campaign, which was debuted to the public fifty years ago on November 6, 1965. For the first time ever, a major airline completely changed how it was presented to the public and this new line of products celebrates that historic era, according to Braniff Airways Chief Operating Officer Collin L. Ice.

Braniff Boutique's new collection includes short sleeve Braniff logo shirting, new travel bags featuring a classic Braniff aircraft logo from the EOTPP era, new luggage and classic new drink coasters made from stone ceramic. To access the new Braniff Boutique Fall/Winter Collection, click below:

Braniff also administers its original Employee/Retiree Airline Pass Benefits Program, which offers current and former employees discount travel on partner airlines and travel companies. The company operates an online travel booking site at [www.flybraniff.com](http://www.flybraniff.com), which offers significant travel discounts at many Braniff International hotel and destinations worldwide.

Braniff Airways supports Braniff Airways Foundation, which is the official repository for Braniff's historical corporate and employee records, photographs and negatives and

memorabilia. Over 100 million pages of Braniff corporate documents and 50,000 historical items are preserved in the Foundation's Braniff International Heritage Archives, which are housed at three locations in Dallas, Texas, and the company's records retention facility in Arkansas. Braniff Airways has created an endowment at The University of Texas at Dallas to support the Space Sciences Department. An additional endowment has been created to support the administration of Braniff International Heritage Archives.
