

SYDNEY BASED TWENTY TWELVE MEDIA LIFESTYLE MAGAZINE COMMENCE FEATURES ON CARE OF TREES ACROSS AUSTRALIA

Twenty Twelve Media Lifestyle Magazine confirmed interest has grown recently in tree health and have started publishing features on year round tree maintenance.

SYDNEY, NSW, AUSTRALIA, November 30, 2025 /EINPresswire.com/ -- [Twenty Twelve Media](#) is an online lifestyle magazine and has been publishing on the web for over 10 years and is committed to meeting client needs in both the information it provides readers and the technology it uses. As a leading Australian online lifestyle magazine, it has a long history of regularly featuring Australian industry sectors and companies.

The team gets asked all the time about tree care & tree removal matters. The features will cover all aspects from tree planting through to when a tree has ended its days on Mother Earth or poses a danger to the public or property. The Twenty Twelve Media team has been highly impressed with Sydney-based [Tall Timbers Tree Services](#) and has asked them for assistance with the articles to be published. Their first article in this new series focuses on year round tree health and care is on valuable tips for the care of trees in winter.

If immediate help is needed with storm-damaged trees, Tall Timbers Tree Services fast response times and dedicated crew can assist. They are on call for any tree emergency you may have. Their tree surgeons can perform from tree sculpting to tree felling. They can also assist with cutting and shaping any tree's branches without affecting the tree's health.

Trevor Williams, content editor of Twenty Twelve Media, said, "We have been experiencing great growth in visitors to our online magazine over recent years. We have listened to our website visitors' feedback survey on the content and experience they seek. The features of tree care are in response to us listening to our readers. We have also seen the importance of staying at the leading edge of technology to keep in touch with our clients the way they expect and to communicate in the best way possible the array of information we provide to our website visitors."
