Entrex announces that Stephen H. Watkins, CEO, has been invited to present the Entrex vision and the opportunity in alternative-yield bit coin mining assets

BOCA RATON, FL, UNITED STATES, December 2, 2025 /EINPresswire.com/ -- [Entrex](#) Carbon Market, Inc. (OTC: [NTRX](#)) today announced that its CEO, [Stephen H. Watkins](#), has been invited to speak at NobleCon, the annual investor conference hosted by Noble Capital Markets, to be held December 2nd and 3rd at Florida Atlantic University.

Watkins will participate in a featured company presentation and investor Q&A session, discussing Entrex's:

- Expansion of environmentally beneficial power-production initiatives
- National deployment strategy for methane-mitigation energy units
- Bitcoin Mining Unit acquisitions through its "Design. Deliver. Deposit. Repeat." model
 - EB-5 investment program designed to bring foreign capital into U.S. job-creating energy infrastructure

“

NobleCon is an ideal platform to share the Entrex vision and highlight the scale of opportunity in environmental infrastructure and alternative-yield assets”

Stephen H. Watkins

His remarks will focus on how environmentally beneficial infrastructure and alternative-yield investment structures are unlocking value in stranded-energy sectors.

“NobleCon is an ideal platform to share the Entrex vision and highlight the scale of opportunity in environmental infrastructure and alternative-yield assets,” said Watkins. “We look forward to productive conversations with
