

KKday Introduces the Opening of Frozen Land at Disneyland Paris as Part of Disney Adventure World in 2026

PARIS, FRANCE, December 1, 2025 /EINPresswire.com/ -- [Frozen Land Disneyland Paris](#) will officially open on 29 March 2026, the same day Walt Disney Studios Park transforms into Disney Adventure World. This major redesign nearly doubles the size of the second gate and marks the beginning of a new era for Paris Disneyland, with World of Frozen as its flagship addition.

Visitors will enter Arendelle through Nordic-inspired village streets with views of Elsa's Ice Palace, creating a strong sense of place. The new land's anchor attraction, Frozen Ever After, carries guests on a family-friendly boat journey beneath the Clock Tower using advanced Audio Animatronics, projection effects, and familiar songs from the films. Fans can also enjoy Frozen: A Musical Invitation and meet their favourite characters through the Royal Encounter in Arendelle Castle or an Olaf. World of Frozen completes the experience with Nordic-themed dining at Nordic Crowns Tavern, a sit-down option at Regal View Restaurant and Lounge, and two dedicated shops offering exclusive merchandise, including Rúna, an interactive baby troll toy created for Disneyland Paris.

With Disney Adventure World launching alongside Frozen Land, guests can look forward to expanded themed areas, redesigned pathways, and a refreshed park layout. The reimagined second park will feature a broader collection of immersive worlds inspired by iconic Disney stories, creating a more connected and seamless experience for visitors. As part of this transformation, Disney Adventure World aims to offer smoother navigation, upgraded landscapes, and a more unified storytelling approach across its lands.
