

Language Center by Tsong Yo Interior Design Wins Silver in A' Interior Design Awards

Tsong Yo Interior Design's Language Center project recognized for excellence in interior design by the prestigious A' Design Awards.

COMO, CO, ITALY, December 1, 2025 /EINPresswire.com/ -- The A' Design Award, one of the world's most respected design competitions, has announced [Tsong Yo Interior Design's](#) Language Center project as a Silver winner in the [Interior](#) Space and Exhibition Design category. This highly prestigious recognition underscores the exceptional design quality and innovation demonstrated by the Language Center, setting it apart within the competitive field of interior design.

The Language Center's award-winning design holds significant relevance for the interior design industry and its clients. By seamlessly blending traditional Chinese aesthetics with modern design elements, the project showcases how cultural heritage can be preserved and celebrated while creating functional, engaging spaces that meet the needs of contemporary users. This successful integration serves as an inspiring example for designers and clients seeking to create culturally sensitive, yet forward-thinking interior environments.

Tsong Yo Interior Design's Language Center stands out for its masterful use of space, materials, and cultural symbolism. The cross-shaped circulation layout maximizes natural light and creates a harmonious atmosphere, while the incorporation of Tai Chi principles through black-and-white patterns embodies balance and harmony. The preservation of reusable objects and the use of locally significant materials like terrazzo and deep wood tones pay homage to Taiwan's cultural identity, resulting in a space that is both visually striking and deeply meaningful.

SILVER A' DESIGN AWARD

2025

Language Center

The Silver A' Design Award for the Language Center project serves as a powerful testament to Tsong Yo Interior Design's commitment to excellence and innovation. This recognition is expected to inspire the firm's future projects, pushing the boundaries of interior design while remaining grounded in cultural sensitivity and user-centric approaches. As the Language Center sets a new standard for educational spaces that honor heritage while embracing modernity, it is poised to influence industry practices and elevate expectations for culturally responsive design.

Language Center was designed by Li-Hsu Tsai and Morse Wang of Tsong Yo Interior Design.

About Tsong Yo Interior Design

Tsong Yo Interior Design is a renowned interior design firm based in Taiwan, China. With a focus on creating human-centered spaces that embody life, the firm has earned a reputation for its innovative, culturally sensitive designs. Tsong Yo Interior Design's projects consistently demonstrate a masterful blend of traditional aesthetics and modern functionality, resulting in interior environments that are both visually captivating and deeply meaningful.

About Silver A' Design Award

The Silver A' Design Award recognizes top-tier designs that exemplify excellence and innovation. Recipients of this award have demonstrated a deep understanding of their craft, creating functional and aesthetically pleasing works that advance industry standards. The rigorous selection process involves blind peer review by an expert jury panel, ensuring that only the most outstanding designs are honored. Silver A' Design Award winners are acknowledged for their significant contributions to the field of interior space and exhibition design, with their work serving as an inspiration for future innovations.

About A' Design Award

The A' Design Award is an international, juried design competition that has been recognizing and promoting superior design since 2008. Open to entries from all countries and across all industries, the A' Design Award seeks to identify and celebrate pioneering designs that positively impact society. By showcasing these groundbreaking works on a global stage, the competition aims to inspire designers and brands to develop products and projects that benefit the world community. The A' Design Award's rigorous evaluation process involves blind peer review by an influential jury panel of design professionals, industry experts, journalists, and academics, ensuring that only the most deserving projects receive recognition.
