

Mia by Yu Ren Wins Silver in A' Pet and Animal Product Awards

Innovative Foldable Cat Bag Recognized for Excellence in Pet Product Design

COMO, CO, ITALY, December 2, 2025 /EINPresswire.com/ -- The A' Design Award, a highly prestigious and well-recognized award in the field of [pet care](#) design, has announced Mia by [Yu Ren](#) as a Silver winner in the Pet Care, Toys, Supplies and Products for Animals Design category. This esteemed recognition highlights the significance of Mia's innovative design within the pet care industry, positioning it as a notable advancement in pet product design.

Mia's foldable cat bag design addresses the challenges faced by cat owners when traveling or engaging in outdoor activities with their feline companions. By providing a portable and space-efficient solution, Mia aligns with the growing trend of pet owners seeking convenient and practical products that enhance their pets' comfort and well-being.

What sets Mia apart is its unique combination of functionality and aesthetics. The foldable design, crafted from environmentally friendly materials like Dupont paper and recycled board, allows for easy storage and portability. When unfolded, Mia creates a comfortable and secure space for cats to rest and enjoy the outdoors, while its book-like appearance adds a touch of style to the home.

The Silver A' Design Award recognition serves as a testament to Yu Ren's commitment to innovation and excellence in pet product design. This achievement is expected to inspire future designs within the brand, fostering further exploration and advancement in creating products
