From Booth #408, the company engaged dermatologic surgeons, practice managers, and industry innovators, delivering actionable strategies to navigate complex payer policies, maximize reimbursements, reduce denials, and streamline operations. Attendees actively sought guidance on preparing for CMS 2026 updates, coding accuracy, audit readiness, and technology integration—core strengths of Inga Ellzey's exclusive dermatology focus.

“

Practices want reliable guidance, not guesswork. Our role is to help dermatologists understand what is changing and how to prepare for the year ahead.”

Rob Manjura, CEO of Inga Ellzey Billing Companies

“Many of the conversations we had at ASDS centered around the confusion created by CMS's 2026 updates. Practices want reliable guidance, not guesswork. Our role is to help dermatologists understand what is changing and how to prepare for the year ahead,” said Rob Manjura, CEO

of Inga Ellzey Billing Companies.

Supporting over 325 providers across 85 practices in 32 states with a U.S.-based team of 125 billing experts averaging 7.5 years of tenure, Inga Ellzey Billing Companies remains the trusted partner for financial stability and sustainable growth.
