

Cedar Creek Hospital Receives State Approval for New 48-Bed Remote Hospital in Lansing, Michigan

Cedar Creek Hospital received Certificate of Need (CON) approval from the State of Michigan to develop a new remote hospital in Lansing, Michigan.

LANSING, MI, UNITED STATES, December 8, 2025 /EINPresswire.com/ -- Cedar Creek Hospital has announced that it has received Certificate of Need (CON) approval from the State of Michigan to develop a new 48-bed remote hospital in Lansing, Michigan, operating under the license of Cedar Creek Hospital in St. Johns.

Located approximately 15 miles from the St. Johns location, the new Cedar Creek Lansing facility (to be located at the intersection of State Road and Felton Road) will feature a 24-bed adult inpatient unit and a 24-bed adolescent inpatient unit designed to meet the growing demand for behavioral health services in Central Michigan.

Construction of this new behavioral health hospital is expected to be completed in the spring of 2027, and once operational, Cedar Creek Lansing is expected to create approximately 100 new jobs including positions for nurses, technicians, support staff and administrative personnel.

"This expansion marks an exciting milestone for Cedar Creek Hospital and for the Lansing community," said Steve Vernon, CEO at Cedar Creek Hospital. "The need for accessible, high-quality behavioral health services continues to grow, and this new facility will help ensure that individuals and families in our region receive timely, compassionate care close to home."
