LOS ANGELES , CA, UNITED STATES,
December 2, 2025 /EINPresswire.com/
-- Tapping into the Cyber Week
streaming surge and audiences' year-
end appetite for prestige thrillers,
DeskPop Entertainment releases
['Chabak: Night of Murder and
Romance'](#) on VOD today.

From Director [William Inhyuk Hyung](#),
'Chabak: Night of Murder and
Romance' stars Danny Ahn, Kim Min-
chae, and Hong Kyoung-in, in a pulse-
pounding survival story set against the
eerie quiet of a mountain car-camping
getaway gone violently wrong.

On their first wedding anniversary, a couple escapes to the mountains for a romantic Chabak—car-camping under the stars—only to cross paths with a masked psychopath. As night falls, their tranquil escape becomes a deadly game of cat and mouse. Hunted through isolated woods and forced to fight back with everything they have, they uncover a dark, unexpected secret that could change everything. 'Chabak: Night of Murder and Romance' is a chilling, edge-of-your-seat descent into love, terror, and survival.

Produced by Tiger Yeongseop Kim, with Jaeson Ma, Eric Tu, Tenten Wei, and Sophie Shi serving as

executive producers, the film features an original score by Gabriel Torrado Tobón that blends atmospheric dread with emotional intensity, delivering smart, character-driven stakes for thriller fans.

“What drew us to this film was its precision and control,” says Steve Bulzoni, President of DeskPop Entertainment. “It’s not just about survival—it’s about how fear exposes character, and this story does that with incredible tension.”

“‘Chabak’ highlights the emotional and cinematic power of Korean genre storytelling,” said Sophie Shi, Head of EST N8 studios. “Our partnership with DeskPop Entertainment continues to bridge Asian creators with audiences worldwide.”

“Chabak: Night of Murder and Romance” reaches audiences via DeskPop Entertainment, the boutique distributor known for championing daring original voices. True to its mission, DeskPop curates a slate that spans pulse-pounding genre gems to mission-driven storytelling engineered to spark cultural conversation, making it the perfect home for a film that blends murder, mystery, and irresistible romantic tension.
