

# Linda Braddon to Appear on Women In Power TV

FL, UNITED STATES, December 2, 2025 /EINPresswire.com/ -- Linda Braddon, founder and CEO of Secure BioMed Evaluations and a leading expert in medical device safety and regulatory clarity, is set to appear on Women In Power TV, where she will share insights on leadership, integrity, and guiding innovators through the complex journey of bringing safe medical technologies to market.

Women In Power is a cinematic docu-series showcasing actors, athletes, entrepreneurs, and other iconic figures by capturing their personal and professional journeys and lessons.

This unique TV show, hosted by Celebrity Entrepreneur Rudy Mawer, features many influential people from all walks of life, whose stories can be viewed on the show's website

In her episode, Braddon will explore why trust, accountability, and clear decision-making are foundational to effective leadership.

She breaks down how empowering teams and maintaining integrity in high-stakes environments can transform outcomes for both entrepreneurs and the patients they aim to serve.

Viewers will walk away with practical insights on leading with clarity, courage, and service.

"Good intentions must be paired with sound discipline — that's how we keep people safe, and how leaders grow," said Braddon.

Linda's episode will be available soon on Inside Success Network streaming platforms. In the meantime, you can find out more by visiting <https://cast.womeninpowertv.com/linda-braddon>
