

Upper Larimer Event Space Prepares for Major Crypto Convention

DENVER, CO, UNITED STATES, December 2, 2025 /EINPresswire.com/ -- [Upper Larimer](#) is proud to announce its readiness to support attendees of the upcoming cryptocurrency convention scheduled for February 17 – 21, 2026 in Denver. Having successfully hosted off-site events during previous editions of ETH

Denver, the venue brings proven experience, state-of-the-art infrastructure and a prime location less than a mile from the main convention venue.

Proven Experience & Tailored Capabilities

Upper Larimer's asset list for event organizers includes:

- A full AV setup featuring a 14' LED diagonal wall, side and vertical monitors, confidence monitors, full video/audio capture.
- Facilities restored to historic standards with modern functionality: large, flexible floor-plan space, high-capacity ventilation/air, upgraded restrooms, client suite, and space customizations for breakout sessions, networking and large-scale presentations.
- A track record of hosting major ETH off-site events, including one that drew ~1,800 attendees last year.

Why Upper Larimer for the February 2026 Convention?

With the crypto convention returning to Denver, event planners and sponsors need off-site venues that can accommodate keynotes, panel discussions, product launches, networking mixers and VIP receptions. Located a short distance from the core convention hall, Upper Larimer offers:

- Convenient access for attendees and sponsors seeking an adjacent, high-visibility venue
- A creative, industrial-chic environment that resonates with Web3/blockchain culture
- Reliable technical infrastructure ready for livestreaming, demos and hybrid programming

Commitment to Attendees & Organizers

Upper Larimer is fully committed to partnering with convention organizers, sponsors and exhibitors to ensure the event experience is seamless and memorable. Whether it's hosting a launch event, providing coworking/networking space, or staging an evening VIP reception, the venue is equipped and experienced.

"We're ready to elevate the activity around the February 17-21 convention," said Chadd Fox, Operations Director at Upper Larimer. "From tech-driven presentations to creative networking mixers — we've done this before, and we're excited to support the next wave of blockchain innovation in Denver."
