

Solution Dynamics Achieves HIPAA Compliance, Reinforcing Medical Data Privacy and Security Commitment

This certification validates Solution Dynamics' ability to better serve healthcare providers with stringent regulatory and security requirements worldwide.

NEW YORK, NY, UNITED STATES, December 2, 2025 /EINPresswire.com/ -- Solution Dynamics (SDL), a leading provider of customer communications management services, today announced it has [successfully achieved HIPAA compliance](#), demonstrating its

commitment to maintaining the highest standards of data security, and confidentiality.

This certification validates our ability to securely manage sensitive information and meet the rigorous standards required by our clients.

"Achieving HIPAA compliance underscores our dedication to protecting our clients' most valued asset—their patient data," said Patrick Brand, Chief Executive Officer of Solution Dynamics. "As thousands of customers depend on our platform for critical patient communications, this certification confirms our commitment to maintaining the highest security standards and strengthens our clients' confidence in our services."

HIPAA compliance enables the secure handling of Protected Health Information (PHI), an essential requirement for technology service providers managing medical records at scale.
