

Tom Shell Plumbing Named 2025 Best of Florida Award Winner

NEW PORT RICHEY, FL, UNITED STATES, December 5, 2025 /EINPresswire.com/ -- For more than four decades, Tom Shell Plumbing has been the quiet force behind running water, clear drains, and reliable service in homes and businesses across the region. This year, the family-owned company's reputation for trust and expertise has been recognized statewide with a 2025 Best of Florida Award.

Tom Shell Plumbing is a fixture in the community, founded on a simple philosophy: do the job right, treat people fairly, and stand behind your work. Locally owned and operated, the company's licensed and insured team handles everything from water heaters and trenchless pipe repair to drain cleaning and water filtration systems. With a blend of traditional craftsmanship and modern techniques, they have built a track record that keeps neighbors calling year after year.

"Our family has always believed that plumbing is about more than pipes, it's about people," says Owner Tom Shell. "When someone trusts us with their home or business, that's not something we take lightly. This award is really a reflection of the relationships we've built with our customers and the pride we take in being part of this community."

The 2025 Best of Florida Award highlights not just the technical skill but also the reliability and consistency that define Tom Shell Plumbing. For the Shell family, it serves as encouragement to continue investing in the same values that have guided them for over 40 years. As the company looks ahead, one thing remains clear: whether it is a late-night emergency or routine maintenance, New Port Richey and its neighbors can count on Tom Shell Plumbing to keep daily life flowing smoothly.
