

Genesis Exotic Transport Expands Open Car Network to Deliver Maximum Capacity and Value

New Carrier Network Includes Dedicated 2-Car, 3-Car, 5-Car, and 9-Car Capacity for Flexible, Cost-Effective Transport

TAMPA, FL, UNITED STATES, December 4, 2025 /EINPresswire.com/ -- Genesis Exotic Transport, a national leader in vehicle logistics, today announced the strategic expansion of its [Open Car Transport](#) network. This enhancement provides clients with an even more robust and adaptable range of options for secure, reliable, and cost-effective standard vehicle movement.

The expanded network now includes dedicated carriers offering flexible capacity to suit any customer need. Clients can utilize transport options for 2-car, 3-car, 5-car, and 9-car configurations, ensuring that whether a dealer needs to move a small fleet or a private client requires single-car transport, the perfect solution is available.

This optimized network structure allows Genesis Exotic Transport to maintain competitive pricing while upholding its high standards for service and on-time delivery. The variety of carrier options minimizes scheduling delays and ensures faster pickup and drop-off windows across the company's

nationwide service areas.

"We understand that not every vehicle requires enclosed transport, but every vehicle deserves professional handling," said [Edin Scott Verdung](#). "By refining our open transport capacity to include these dedicated 2, 3, 5, and 9-car options, we are offering superior value and flexibility, making high-quality logistics accessible to a wider market segment."

Genesis Exotic Transport is a nationwide [vehicle and marine logistics company](#) specializing in secure, reliable, and white-glove transport for exotic cars, luxury vehicles, classic cars, and high-value boats and yachts. The company offers both premium enclosed and cost-effective open transport solutions, ensuring secure delivery for every prized asset.
