

# Adam And Eve Packaging Design by Antonia Skaraki Wins Silver A' Design Award

*Antonia Skaraki's Innovative Packaging Design Recognized with Prestigious Silver A' Design Award in Packaging Design Category*

COMO, CO, ITALY, December 4, 2025 /EINPresswire.com/ -- The highly respected A' Design Award and Competition has announced [Antonia Skaraki](#) as a Silver A' Design Award winner for the exceptional [packaging](#) design work titled "Adam And Eve" in the Packaging Design category. This prestigious recognition underscores the significance of the A' Packaging Design Award within the packaging and design industries, celebrating designs that exemplify innovation, functionality, and aesthetic appeal.

The Silver A' Packaging Design Award holds immense relevance for the packaging industry, its professionals, and consumers alike. By recognizing designs that push boundaries and set new standards, the award encourages the development of packaging solutions that are not only visually striking but also practical, sustainable, and user-friendly. This recognition serves as a benchmark for excellence, inspiring designers and brands to continually innovate and elevate the packaging experience for end-users.

Antonia Skaraki's "Adam And Eve" packaging design stands out for its masterful blend of storytelling, art, and tradition. Inspired by the biblical narrative and Homer's Odyssey, the design pays homage to the ancient practice of sun-drying figs. Vintage botanical illustrations evoke a sense of discovery and exploration, merging art and science in a nod to the notebooks of historical explorers. The packaging celebrates nature's bounty and human ingenuity, forging a rich connection between history, heritage, and the craft of preservation.

This Silver A' Design Award recognition serves as a testament to Antonia Skaraki's dedication to pushing the boundaries of packaging design. It is expected to inspire future projects that continue to merge storytelling, sustainability, and aesthetic appeal, setting a new standard for the industry. The award also acts as a motivator for Antonia Skaraki and their team to persist in their pursuit of innovation and excellence, driving the packaging industry forward.

Interested parties may learn more about Antonia Skaraki's award-winning "Adam And Eve" packaging design by visiting the dedicated page on the A' Design Award website:

#### About A|S Strategy, Branding & Communication

We have been around for 30 years and turn younger by the day. We are one solid team of 8 different characters. We believe creativity can change the world. We take our work seriously but not ourselves. Before we analyze a product, we sense its aura. Before we categorize it, we feel its power. We have the passion to make a difference and the knowledge to support it. We walk first then run. We do not look troubled when troubleshooting. Every idea is a positioning on life. Every client is unique.

#### About Silver A' Design Award

The Silver A' Design Award recognizes top-tier designs that embody excellence and innovation in the Packaging Design category. Recipients are acknowledged for their significant contributions to advancing industry standards and practices through highly functional and aesthetically appealing designs. The award celebrates creations that incorporate original innovations, reflect the designer's deep understanding and skill, and make a notable impact on improving everyday life. Winning designs are selected based on criteria such as innovation, sustainability, efficiency, aesthetic appeal, user convenience, brand identity reflection, market competitiveness, safety measures, and technical excellence.

#### About A' Design Award

The A' Packaging Design Award is a prestigious international competition that recognizes outstanding achievements in packaging design. Welcoming entries from innovative designers, agencies, manufacturers, and brands, the award provides a platform to showcase creativity and gain global recognition. Entries undergo a rigorous blind peer-review process by an expert jury panel, ensuring that only the most exceptional designs are honored. By celebrating these pioneering works, the A' Design Award aims to inspire advancements in the packaging industry and contribute to creating a better world through the power of good design. Established in 2008, the A' Design Award is now in its 17th year and continues to champion design excellence across all industries.
