

# Rise Launches U.S. Employer of Record (EOR) Service, Enabling Companies to Hire Full-Time U.S. Employees

*Rise launches U.S. EOR, enabling global companies to hire instantly with full compliance, modern benefits, and flexible payroll in USD or stablecoins.*

NEW YORK, NY, UNITED STATES, December 4, 2025 /EINPresswire.com/ -- December 4, 2025 - [Rise](#), the global payroll and compliance platform supporting hybrid fiat-and-crypto payments, today announced the launch of its [Employer of Record](#) (EOR) service in the United States.

The expansion allows companies worldwide to hire full-time U.S. employees without establishing a U.S. entity or navigating complex state-by-state labor laws.

“

Our EOR service removes that friction entirely as companies can now hire in days while offering their teams flexible compensation options traditional providers can't match.”

*Hugo Finkelstein*

With automated onboarding, compliant employment agreements, benefits administration, and hybrid USD-stablecoin payroll, Rise provides one of the most modern and flexible EOR infrastructures available today.

The platform supports 90+ local currencies, 100+ cryptocurrencies, and 190+ countries, backed by SOC 2 certification and MSB registration in the U.S.

Key Features of Rise's U.S. EOR

- Full compliance with federal and state labor laws

- Automated onboarding, identity verification, and compliant agreements
- Competitive benefits including healthcare and crypto-friendly retirement options
- Payroll funding in USD, USDC, or USDT, with employee withdrawals in local currency or crypto

- Automated tax filings, reporting, and state-by-state compliance management

## How Rise's Employer of Record Service Helps Companies Expand to the United States

For fast-scaling companies, hiring in the United States traditionally required months of entity setup, navigating complex payroll infrastructure, and absorbing significant legal exposure.

Rise eliminates these barriers with a single, compliant employment layer, allowing companies to expand into the U.S. market immediately, reduce operating costs, and offer a hiring experience suited to the modern global workforce.

### Availability

Rise's U.S. EOR service is available starting today. Companies can now hire full-time employees in the United States with no local entity and complete compliance coverage.
