

# Last Chance to Influence the 2026 PS Maturity Benchmark™ — One Week Remaining

*SPI is on its final countdown for surveying for the 2026 PS Maturity Benchmark™. The survey is open until December 12, 2025, with results in February 2026.*

KNOXVILLE, TN, UNITED STATES, December 4, 2025 /EINPresswire.com/ -- Now in its 19th year, the Benchmark is the industry's most trusted performance tool, used by more than 50,000 PS leaders worldwide every year. With 2025 having proved to be one of the most unusual years in recent history, it is more important than ever for organizations to benchmark their performance against what the top performers are doing and to set new targets aligned with the market. The survey is open until December 12, 2025, with results published in February 2026.

Here are 3 Big Free Reasons to Participate: Participants get the most accurate industry view before anyone else, including:

- Your Firm's Custom Benchmarking (NEW)
- A 10-page Executive Insights Report (NEW)
- The full 2026 Benchmark Report (valued at \$2,795), free of charge

This year's study also deepens its focus on AI's impact across sales, talent, delivery, finance, and operations.

How to participate

The survey can be completed online via the link below.

Access the survey here: <https://spiresearch.com/reports/2026-ps-maturity-benchmark/>

This confidential questionnaire takes on average 20 minutes to complete (but can be done over multiple sessions).

The image shows the cover of the "2026 Professional Services Maturity Benchmark" report. It features a city skyline at sunset. The top left has the SPI logo and the text "Service Performance Insight" and "Accelerate Service Productivity & Profit". The title "2026 PROFESSIONAL SERVICES MATURITY BENCHMARK™" is in an orange box. Below the image, it says "This comprehensive report will be published in February."

“

SPI's 2025 Benchmark showed mounting pressure—slower growth, tighter margins, rising overruns — even as AI created new advantages. Now we need to see how the last year reshaped performance.”
