

Brand-New Keyless2Go Honda, Genesis and Ram Smart Keys Added to Catalog

FARMINGDALE, NY, UNITED STATES,
December 4, 2025 /EINPresswire.com/
-- Brand-New Keyless2Go [Honda](#),
[Genesis](#) and [Ram](#) Smart Keys Now
Available

Innovative aftermarket solutions
deliver advanced security, seamless
compatibility, and unbeatable value.

Keyless2Go, a leading provider of high-quality aftermarket automotive keys and remotes, is excited to announce the launch of its latest lineup of smart key replacements for Honda, Genesis, and Ram vehicles. Engineered to match or exceed OEM standards, the new Keyless2Go smart keys offer drivers a reliable, affordable, and easy-to-program alternative for replacing lost or damaged keys.

The new product expansion reinforces Keyless2Go's commitment to providing cutting-edge solutions that meet the real-world needs of automotive professionals, locksmiths, and consumers alike.

Key Features & Benefits

- Wide Compatibility: Designed for popular Honda, Genesis, and Ram models across multiple years.
- OEM-Level Performance: High-quality construction and smart-key technology ensure seamless functionality.
- Cost-Effective Alternative: Offers significant savings compared to dealership replacements.
- Easy Programming Options: Compatible with industry-standard programming tools for professional installers.

-- Trusted Reliability: Built under strict quality assurance standards backed by Keyless2Go's reputation for dependable aftermarket solutions.

With the Keyless2Go website, customers can now:

- Quickly verify compatibility by entering their vehicle's year, make, and model
- See upfront pricing for remotes and programming—no hidden fees
- Locate a Certified Locksmith in their area
- Prepay online for both the product and service
- Receive their key by mail along with a voucher for cutting and programming at any Keyless2Go Certified Locksmith

Availability

The Keyless2Go Honda, Genesis, and Ram smart keys are now available through authorized distributors and the official Keyless2Go website.

About Keyless2Go
