

LPT Announces Strategic Partnership with Tipalti to Expand Global Payment and Payout Capabilities

Together LPT.io and Tipalti offer global acquiring plus automated payables, enabling faster, smarter, end-to-end finance operations.

TX, UNITED STATES, December 5, 2025

/EINPresswire.com/ -- [LPT](#), a global payment orchestration platform provider, today announced a partnership with [Tipalti](#), the AI-

powered finance automation platform. Through this partnership, LPT and Tipalti will introduce customers to complementary offerings, pairing LPT's end-to-end merchant acquiring and multi-currency payment orchestration capabilities with Tipalti's best-in-class payables automation to support more comprehensive and efficient finance operations.

“

By pairing LPT's acquiring and payment orchestration capabilities with Tipalti's expertise in AP automation and global payouts, we're helping global businesses simplify their money movement cycle ...”

Dreux Flaherty, CEO

Together, LPT and Tipalti will explore opportunities to expand global payment acceptance and enhance cross-border payout capabilities. The collaboration provides enterprises and high-growth digital platforms a seamless way to collect and disburse funds worldwide, while improving operational efficiency, compliance, and cash flow visibility across multiple business entities.

“This partnership creates a powerful ecosystem for growth,” said Dreux Flaherty, CEO of LPT. “By pairing LPT's acquiring and payment orchestration capabilities with

Tipalti's expertise in AP automation and global payouts, we're helping global businesses simplify their entire money movement cycle—from influence and agent payments to supplier settlements.”

The LPT–Tipalti partnership enables both companies to better serve a wider range of international merchants, marketplaces, and digital-first enterprises through shared customer

and sales networks.

About LPT

LPT is a global payment orchestration platform designed for speed, flexibility, and control. Its unified gateway enables merchants and platforms to process across multiple acquirers, currencies, and payment types—optimizing acceptance rates and minimizing transaction costs. LPT powers eCommerce, subscription, and high-volume enterprises with dynamic routing, fraud protection, and full-stack merchant services. For more information, visit lpt.io.
