In his session, “Retirement Plan Strategies — How to Maximize & Optimize Contributions,” Keith will cover Solo 401(k) eligibility, the three contribution “cups” (employee deferrals, employer contributions, and after-tax contributions), the Mega-Roth strategy, 2025 contribution limits, and payroll timing tips. He also collaborates with a due-diligence council to vet investments and providers. This session is educational only and does not provide individualized tax, legal, or investment advice.

What You'll Learn:

- The Art of Filling Your Retirement Bucket: Explore simple, effective ways to build your financial future by blending smart contribution strategies.
- Unlocking the Mega Roth Mystery: Learn about a little-known advanced planning option that could significantly boost long-term savings.
- Rethinking Retirement Contributions: Discover innovative ways to optimize contributions and view your retirement planning options in a fresh, strategic light.

This webinar provides business owners and investors with actionable insights to maximize retirement contributions and create long-term financial security.

Event: Wednesday, December 10, 2025, at 12:00 PM ET
