

Tiger by Guoliang Du Wins Silver in A' Interior Design Awards

Guoliang Du's Exceptional Club Design, Tiger, Recognized with Esteemed Silver A' Design Award for Interior Space and Exhibition Design

COMO, CO, ITALY, December 5, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced [Guoliang Du](#) as a winner of the Silver A' Design Award for the exceptional club design, Tiger. This prestigious accolade highlights the significance of Guoliang Du's work within the interior design industry, positioning Tiger as a noteworthy and innovative design that exemplifies excellence in the field.

The Silver A' Design Award for Interior Space and Exhibition Design is

particularly relevant to industry professionals, as it showcases designs that align with current trends and advance interior design standards. Tiger's recognition demonstrates its practical benefits for users and stakeholders, emphasizing the design's functionality, aesthetics, and innovative aspects that address the needs and expectations of the interior design community.

Tiger stands out in the market through its unique blend of European and Oriental design elements, creating a captivating space that harmonizes classical and modern aesthetics. The design's meticulous attention to detail, from the round arches and spiral staircases to the shaped roof and evolving top, showcases Guoliang Du's mastery of composition and structure. The thoughtful integration of materials such as concrete, steel, glass, and stone, along with energy-saving technologies, further enhances the design's appeal and sustainability.

The Silver A' Design Award serves as a testament to Guoliang Du's commitment to pushing

Tiger

boundaries and inspiring future designs in the interior design industry. This recognition motivates the Guoliang Du team to continue their pursuit of excellence and innovation, paving the way for even more groundbreaking projects that elevate the standards of interior design. About Silver A' Design Award

The Silver A' Design Award recognizes top-tier designs that exemplify excellence and innovation in their respective fields. Recipients of this prestigious award are acknowledged for their significant contributions to raising industry standards and advancing design practices through their highly functional and aesthetically pleasing creations. The rigorous selection process, involving blind peer review by an expert jury panel of design professionals, academics, and journalists, ensures that Silver A' Design Award winners represent the pinnacle of design excellence. These designs often incorporate original innovations, elicit strong emotional responses, and make a notable impact on improving everyday life.

About A' Design Award

The A' Design Award is an international, juried design competition that has been recognizing and promoting superior products and projects since 2008. With a philanthropic mission to enhance society through the power of good design, the A' Design Award motivates designers and brands to develop innovative solutions that positively impact the global community. The competition welcomes entries from all industries and countries, providing a platform for visionaries, leading agencies, and influential brands to showcase their creativity and gain deserved recognition. By celebrating remarkable achievements and showcasing pioneering designs on an international stage, the A' Design Award drives forward the cycle of inspiration and advancement, ultimately contributing to a better world through the transformative power of exceptional design.
