*Sweet Briar's episode of The College Tour brings campus life, bold academics, and women's leadership to viewers worldwide on Amazon Prime.*

AMHERST, VA, UNITED STATES, December 5, 2025 /EINPresswire.com/ -- Guided by host Alex Boylan, the 30-minute feature offers an authentic look at life at Sweet Briar told through the voices of students, faculty, and alumnae. Created to expand access for students who can't visit campuses in person, the series highlights academics, career preparation, campus life, and community across colleges nationwide and worldwide.

[Sweet Briar College: Where Bold Women Thrive](#), is a historic women's college founded in 1901 and located in the foothills of Virginia's Blue Ridge Mountains. With a 2,840-acre campus and distinctive assets including equestrian facilities, a working vineyard, and experiential learning spaces Sweet Briar pairs rigorous academics with hands-on leadership development.

Students pursue ambitious pathways in areas such as engineering, environmental science, business, and the arts, supported by close faculty mentorship and a vibrant sisterhood. "We're thrilled that Sweet Briar's story is now available to viewers everywhere through [The College Tour](#) on Amazon Prime," said Dr. Christopher Smith, Vice President of Enrollment Management. "This episode captures what sets Sweet Briar apart: bold learning, real-world preparation, and a community where women lead with confidence and purpose. We can't wait for prospective students and families to see themselves here."
