

LDD Consulting, Inc. Recognized for Excellence Among Albuquerque's Leading MSPs

LDD Consulting, Inc., an Albuquerque-based IT and cybersecurity provider, earns recognition for service excellence, supporting local businesses and nonprofits.

ALBUQUERQUE, NM, UNITED STATES, December 5, 2025 /EINPresswire.com/ -- LDD Consulting, Inc., a trusted provider of [managed IT and cybersecurity services](#) for small and midsize organizations in Albuquerque and surrounding communities, has been recognized among the region's leading Managed Service Providers (MSPs) for its reliability, customer service, and community impact.

Serving local businesses since 2001, LDD Consulting, Inc. supports companies and schools across Albuquerque, Rio Rancho, Santa Fe, and surrounding communities. The firm provides proactive IT management, [cybersecurity protection](#), and compliance solutions tailored to industries including healthcare, legal, financial, and education—supporting approximately 10 percent of Albuquerque's charter schools with secure, stable technology environments.

"Our mission has always been to help local organizations stay productive and protected with dependable, customized [IT support](#)," said David Luft, CEO of LDD Consulting, Inc. "We're proud to be part of Albuquerque's business community and grateful for the clients who trust us to keep their operations running securely."

The company's commitment to service excellence was recently underscored by earning the World-Class Customer eXperience Trained (WCCXT) certification from The Dijulius Group, reflecting advanced customer-care standards across its entire team.

LDD Consulting, Inc. is also active in the local community, providing pro bono website services to area nonprofits including Rio Grande Valley Blue Star Mothers and Blue Star Mothers of Valencia County. The company also offers heavily discounted IT and VoIP services to local churches and nonprofits such as New Mexico Kids Matter, helping them improve communication and technology resources.

David Luft, CEO of LDD Consulting, Inc., a managed IT and cybersecurity services provider in Albuquerque.

We help local organizations stay productive and secure with dependable, customized IT support. Serving Albuquerque's business community is an honor we take seriously."

David Luft, CEO, LDD Consulting, Inc.
