

Reimagine Policing Scholarship Extends Application Deadline to May 31, 2026

CLEVELAND, OH, UNITED STATES, December 5, 2025 /EINPresswire.com/ -- Retired LAPD Lieutenant and author Jeff Wenninger has officially extended the application deadline for the [Reimagine Policing Scholarship](#) to May 31, 2026, allowing students additional time to apply for a share of \$30,000 in academic awards dedicated to the future of ethical and compassionate policing.

In an effort to expand opportunities for emerging leaders, Wenninger recently doubled his personal scholarship commitment, now offering \$15,000 in undergraduate awards and an additional \$15,000 in graduate-level awards for students pursuing studies related to public safety, criminal justice reform, community advocacy, and forward-thinking models

of policing. The scholarship is open to applicants across all academic disciplines, encouraging diverse perspectives and innovative ideas for a more accountable, effective, and community-centered approach to law enforcement.

Rooted in the principles outlined in Wenninger's book, *On Thin Ice: An LAPD Veteran's Journey to Reimagine Policing*, the scholarship invites students to submit original essays exploring new frameworks for trust-building, accountability, and leadership within public safety. Three undergraduate recipients and three graduate recipients will be selected, with awards granted based on thought leadership, creativity, and courage in envisioning a new path forward.

Applications remain open through May 31, 2026 and may be submitted online through the official submission portal.
