Corporate Strategist and Trailblazer Shares Signature Framework for Navigating Personal and Professional Change.

WASHINGTON, DC, UNITED STATES, December 8, 2025 /EINPresswire.com/ -- Today Post Hill Press announces the forthcoming release of *The Power Pivot: With Grit, Grace, and Growth*, the debut book by Ashley Davis, a Washington, D.C., business leader, lobbyist, strategic advisor, and internationally recognized keynote speaker. The book will be published on April 7, 2026, and is available now for pre-order through Simon & Schuster distribution channels.

Drawing on more than three decades of experience guiding individuals and organizations through complex transitions, for the first time Davis shares her signature Power Pivot framework — Intentional Planning, Intentional Purpose, and Intentional Change. Davis' insights stem from her extensive career from serving in the White House, including on September 11, 2001, her role in launching a government agency — the Department of Homeland Security — and her leadership as a partner at one of Washington's most influential lobbying firms. Mid-career, Davis earned her MBA, further strengthening her ability to guide leaders navigating high-stakes challenges. Today Davis advises Fortune 500 companies, shapes policy in both the legislative and executive branches, and serves on boards of public companies and nonprofit organizations.

"Throughout my career—from the White House on 9/11 to advising Fortune 500 companies today—I've seen how intentional planning and purpose can transform both individuals and organizations," said Davis. "The Power Pivot is the culmination of lessons learned from navigating crises, building institutions, and guiding teams through intentional change. I'm grateful to the team at Post Hill Press for supporting my first foray into writing and for recognizing my signature framework as a powerful tool for readers seeking to chart their own

paths forward with confidence and intention.”

“Ashley Davis has developed a powerful tool for navigating change based on her extensive leadership experience in the government and corporate sectors, and I can think of no better voice to guide our readers through powerful personal and professional transformations,” said Anthony Ziccardi, Publisher, Post Hill Press. “The Power Pivot provides practical guidance for individuals and leaders navigating transitions.

The Power Pivot will be available in hardcover on April 7, 2026, and it is available now for pre-order.
