Background:

Dr. Garcia Biomagnetism offers a comprehensive online learning platform for [biomagnetic pair therapy](#), a holistic healing practice developed by Dr. Luis F. Garcia. The training program teaches participants the principles and protocols of biomagnetism, providing them with the skills to incorporate this therapy into their professional practices.

The introduction of the holiday gift discount and 0% interest payment plans aims to make this high-quality training more accessible, particularly for those who may find the upfront cost challenging. Dr. Garcia's goal is to offer greater flexibility in payment, ensuring that the training is within reach of a wider range of individuals seeking to learn and apply biomagnetism.

Statement from Dr. Garcia:

"Making biomagnetism education accessible is a priority for us," said Dr. Luis F. Garcia. "By offering a gift discount on course fees and flexible payment plans with 0% interest, we hope to reduce financial barriers and allow more individuals to pursue this valuable learning opportunity."

Availability & Duration:

The holiday gift discount and flexible payment plans are available immediately for new enrollments. This offer will remain in effect through the end of the holiday season. Prospective students can find full course details, technical requirements, and enrollment instructions on the Dr. Garcia Biomagnetism website. (www.drgarciabiomagnetism.com)
